Replaying the show... the judges said "you moved and you sounded like Dusty Springfield at that period in her career - that was fantastic.."

Superfans: Simon said - "I want to thank Katy for reminding the whole nation of what it lost when Dusty left us and I believe the great British public want the greatest British female singer to represent us in Vegas"

My ex just emailed to say he has voted for Katy also :)

Only TEN MINUTES till the final results show, people ...

GO KATY!! KATY TO WIN!!!

Which made me think, I wonder what Dusty thinks of all this up there

Really pleased for Katy and Dusty!

Oh god, im still squawking. Apart from katys performance which has blown me into the stratosphere, the one most poignant moment for me, was the shot of simon and carole together in the audience after the result, the emotion was tremendous and was obviously quite overwhelming for all three of the superfans. Ive been inundated with emails and texts from friends. Wow, what a night.

I had the exact same thoughts all along. Will this definitely interfere with appearing on Dusty Day?

I have asked this several times, no one seems to know WHERE IN VEGAS will KATY be appearing??

We need to set up another special Dusty Day in Vegas, asap!🙄

I knew she won because Britain arms his own artists, i'm very glad for Katy, not for me, because i will miss her on DD08, but that's not important.

Blimey how bad was that for the nerves?!?!?!!!

I do however think my whole town probably heard me screaming and jumping up and down when Katy won!!! Congratulations to Katy, she's done us all proud and brought Dusty right back into the public eye again - which is where she should be!!

I've been on the phone to Heather. She, like all of us, is absolutely thrilled that Katy has won The One And Only.

**CONGRATULATIONS
KATY!!! WE KNEW YOU
COULD AND WOULD DO
IT!!**

I've texted Carole to congratulate Katy and the Superfans - but since they will be at the after-show party, God only knows when she will see the message lol.

I'm so very happy and I just can't stop crying. Well done, everyone - and one last time..

GO KATY!!

I think it's 'The Imperial Palace' in Vegas, that's where they have all the tribute acts, and it's been mentioned on The One and Only forum.

I've never been to Vegas or wanted to go, but this and the chance to see Bette might just change my mind.

Marty, the official BBC website
http://www.bbc.co.uk/theoneandonly/about_the_show/says this -

>>..'The One and Only...' will offer the greatest and most unique showbiz opportunity ever featured on UK television and a prize that money certainly can't buy: a three-month performance contract in Las Vegas. There, the winner will live the dream of their musical superstar, taking part in the world's longest running musical tribute show, 'Legends in Concert'...<<

Hope this helps.

It was Nancy, then 'All I see is you', and in the second show 'You don't
have to say you love me'.....but as with all the previous programmes
I was a little dissapointed that they 'edited' the songs to save a few
seconds.....for goodness sake!!
