Hmmmm...i wonder what a Dusty University would be like? Obviously hundreds of students all studying Dusty, live-in quarters would have to have special food throwing party areas, and the place would have to have rooms with sound-proof booths for listening to all the albums 😊

Purely tongue-in-cheek 😊 Anyone else got any ideas?

LOL, Marty 😊 Absolutely agree with all you say, especially comedy timing, crockery and foreign languages, that's at least three years study for starters! 😊

LOL! 😊 I'd like to sign up for the "lyric writing on arm" please. Short-sighted people shouldn't bring their glasses, right? 😊

As for the application process, we'll do it like a "Dusty Idol" audition with jury and all. At the same time, this could be a class called "Coping with out-of-tune singing when you have perfect pitch".

This is a brilliantly funny topic. Well done Sue!

A few Course ideas:

How to walk in four inch high stilettos whilst wearing an extremely tight skirt.

(Can I enrol for this please?)

How to keep your temper when everyone is hassling you, and noseying about your private life.

How to love, and look after as many stray cats you can find.

How to spot a good melody when you hear one.

How to hide said melody away from prying eyes..

How to keep your music/memory alive and kicking, ten years+ after your death..

Love all these suggestions 😊. Of course, the place would be over-run with cats being allowed to roam anywhere and everywhere, and how about an outdoor area for loads of other animals - as well as a field for horses?

Good idea for the stiletto's and tight skirt, Carole 🙄, but i don't think i would sign up for that one 😬, there would have to be a very large first-aid area - for all the sprained or broken ankles 🤕. Plus, treatment for all the black eyes from the food throwing parties, ie; getting hit by a cheese roll or similar 🤪🤪
