OMG you are all going to be so jealous!!

I was in this restaurant on Tuesday night and it was like a dinner then show....ok so it was a really small restaurant (like 30 people) so everyone was mixing and chatting and whatever. ANYWAY - our group of about 10-15 got up to leave and as I was walking out the door this man was walking in. Straight away I was like I know you I know you I know you! But for the life of me I could not pick whereabouts I knew him from!

I walked to the car, got 5 blocks down the road and went 'HOLY SH*T!!!'

Guess who it was!

It was the producer writer person of **Dusty The Original Pop Diva** - the Aussie musical!!! It was him!!! And we like brushed shoulders!! **And we were in the same restaurant!!!!**[/

Ok so straight away I told dad I was like TURN AROUND TURN AROUND and he was 'errr no Madison[said angrily haha] its late!' and omg I seriously could have killed him!

I spent like a block cooling down and then called Clare 😊

Jealous much?!

I think yes 😊

Seriously, it sounds totally cool! And had I been your parent (though I'm glad I'm not 😬), I would have run back to the restaurant together with you!
