You know how theres always just those one-liners that go round and round your head all day??

Here's a thread to name all the very best single lines

My favourite has got to be, from I Dont Want To Hear It Anymore:

"said the boy, in room one-forty-nine"

Such a random line, but SO good!

Whats yours?

LOVE MADS.

And I can play hide and seek with my fears
And live my days instead of counting my years

I love this one by DUSTY[pink[b]]....."I still think that because I don't go [attend Mass] I am going to Hell... But I don't want to go to Hell because I haven't really done anything evil. I'm just lazy and self indulgent."[/pink]

One of my favourite lines is "I would never trade the tears, the conversations no one hears".

I LOVE, LOVE, LOVE these lines:

Ain't it sad, said the woman down the hall
That when a nice girl falls in love...
Ain't it just too bad that she had to fall,
For a boy who doesn't care for her at all.

Those lines from Dusty's 'I Don't Want To Hear It' are so great. Just reading them is painful.

But she could also be a bit saucy, more direct, and less poetic. From 'I Want Your Love Tonight' - an ultimate favourite of mine:

'I don't want to sit here and talk
I don't want to go for a walk
Oh take me up to Heaven
All the way to Cloud Eleven
I wanta your love tonight, oh yeah I do!

Come on and love me, Baby!

Ooh Come on and satisfy me
Baby, don't deny me!

Oh I say!

That is a racy song indeed! And surely only El Dusto could have conveyed those lines with such sauciness!

Yes, Vicky, she takes those basic lyrics and lives them as usual - it's as close to young lust as she got. Marvellous!

IWYLT is just wonderful. She's so into it; it's so convincing.

These opening lines are pretty amazing:

The days are okay
I watch the TV in the afternoon
If I get lonely
The sound of other voices
Other rooms are near to me
I'm not afraid

**I'll put your pictures all around my wall
I'll build a tower of love that won't fall**

In the Winter is great. I wonder what the long lonely nights were like...guess I don't really want to know...

3 more from me (had to include a favourite ad lib - thinks -another thread?):

1. The Star of My Show (1970)-

'Ooohh Baby, Baby, Baby, Baby...'

2. Mama's Little Girl (1973)-

'I just saw Venus rising
Guess I'm realising...'

3. I Can't Help The Way That I Don't Feel (1995) -

'I wish that's the way that we could be
but love is up to love and not to me.'

Thanks for reviving this thread Clive. One of my favourite lines is:

"My longing will pass, my loving will last" from the beautiful Go My Love
