Is this one of those print-on-demand outfits like cafepress.com?

We looked into that for LTD but would not have earned much for our charities.

Keep us posted on what you find out. A girl cannot have too many Dusty shirts IMO.

I saw it too, apparently Kate Moss was in the shop buying one, it said....

Dressed down and hiding behind a pair of Prada sunglasses, she was spotted in the store's Camden branch buying a £12 T-shirt from its Demented Divas range, which includes images of Cher, Shirley Bassey and Madonna.

Moss's choice was a print of Mae West and the logo: 'Mae the spirit be with you!'

Says designer Al Pillay: 'I'm thrilled that Kate has one. They've become very sought-after images. Amy Winehouse has one with her picture on it.'

I haven't added Kate's picture to the collection yet, but she's next on my list after Dusty Springfield and Tina Turner.'

Sounds very interesting, I'd love to see one of Dusty in the stores.

Am I to take it that these t shirts are ladies, that I could be being penalised by my gender? This is outrageous, I shall email the website forthwith
