I have downloaded a couple of TV interviews from youtube and I am very curious about them. One of them involves an Australian guy interviewing Dusty in, and I am guessing here, 1980/81. (It's got to have been after 1979 because she mentions RAH and Theatre Royal). Does anyone know the interview I am talking about? The interviewer mentions that she is "getting married next week" and presents her with a bouquet of flowers but what I am wondering is - would that have been something that Dusty would have wanted mentioned on TV or do you think she would have been shocked and/or annoyed about the guy mentioning it?

The other interview I downloaed is of Dusty in a green all-in-one suit or green blouse and trousers and she stops and sits on the step to fasten her shoe before sitting down to be interviewed. The guy interviewing her sounds like he is from my neck of the woods - the North East - and I am wondering if anyone knows who he is or when/where the interview is from?

Sorry to be so vague, I can try and find the youtube links if it will be more helpful.

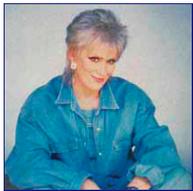

Thanks!!

Jodie yes the Australian interview is from 1981.

The other interview is from November 1979, a show called *Live From Two*. I'm afraid I don't know the name of the interviewer. I think it was on Granada TV. We had a thread about it a while back, I will look for the link.

here it is
