Found this on my google travels today - can't remember if it's been posted before, I seem to remember a similar pose but not this exact one.

I think the picture is of Dusty arriving at Heathrow from LA in late 1984 early 1985. My undated newspaper cutting states Dusty had just signed a £100,000 contract with nightclub owner Peter Stringfellow.

The whole outfit was yellow including the trousers. She wore it on a TVAM Morning Television Show, I have a video somewhere.
