20 Best Voices (#p145911)

by [daydreamer](#) » Thu Feb 13, 2014 5:46 pm

In The Times today is an article in the Pop School series, entitled 20 Best Voices. I guess, as always, the list is subjective and influenced by the person writing it, but good to see Dusty so high.

Great to see Dusty recognized, but I thought her records were ignored by the R&B charts despite their soulful elements?

Also, some of those singers do not belong in a top 20 listing!

This is my first time on the LTD site. I appreciate seeing the 20 best voices list,although I'm sure I Agee with all selections! I'd dare say few on that list could sing the different genres with the aplomb of Dusty. Our local PBS station recently had a pledge drive and Burt Bacharach's music was featured. I've never heard a better rendition of "a house is not a home" performed by Dusty! She was simply the best!

Thanks for posting Carole. It's so great to see Dusty ranked so high 😊

Welcome To LTD Brenda! Totally agree, Dusty's version of A House is Not A Home is the best. Sublime!
