While at the Popular Culture Assn conference today I went to the book exhibit which included the publisher of the 33 1/3 books....they had a bunch on display but no Dusty in Memphis....maybe cuz it had sold out? Anyway, there is a new 33 1/3 book that includes chapters from different books in the series and the first chapter is on Dusty in Memphis.

Noticed this book was in stock at HMV Oxford Street, also Paul's book The Complete Dusty Springfield.

Best of all vast quantities (well at least 10 copies each) of DVDs 'People Get Ready' and 'I Close My Eyes And Count To Ten, plus a few copies of RAH and one copy of 'My Very Best, Love Dusty'
