Radio 2 have been running a 60's season recently and to accompany it there's a link to add memories and photo's from the time. I added mine and then promptly forgot about it as they don't appear right away, if at all. A couple of weeks later I've just checked back and found that I am in there (about half way down), plus picture on the photo site. Er, now who would my 60's memories be about? 😊

Stop "messaging about on the river" Matt! 😊

Hey, that's great Carole, they are some great memories. God we are all so jealous. As one interviewer in Oz said to an interesting person he was interviewing "When you are finished with your past, could I have it?" 🗑️
