A HOUSE IS NOT A HOME (#p129983)

by **andyp** » Thu Aug 22, 2013 4:16 am

Can somebody please tell me which DVD "A House Is Not A Home" is on? I have got it somewhere and have looked through everything but can't find it. I have obviously missed it, so if somebody can tell me, I should be able to find it.

The video you're searching for is also on the DVD "Once Upon a Time, 1964-1969". 😊

Thanks Sam. I did find it eventually - it was not track listed but was one of the extras.

You know I can never understand why Dusty did not record it as it had her name written all over it. If she had recorded it circa '64/'65 it could have been a single and a hit! To this day no one has had a big hit with it which is really surprising. Even Dionne's version was hidden on the B-side of 'You'll Never Get to Heaven (If You Break My Heart)'. Brook Benton's version which was released at the same time peaked at #75. Someone dropped a bomb here back in the day 🤔

"Alright Rufus - this is for you". I think I'll change my name to Rufus.
