Carole suggested a while back that we collect images of Dusty in the denim in which she graced the cover of A Girl Called Dusty.

If you have pics from this photo shoot post them here.  
(If we get enough, we might just have a poll too.)

I'll start us off....

Its gorgeous, Sophie! Soon as you get fed up looking at it, just say and I'll tell you where to post it to me :)  
And is it just me or does Dusty have just a hint of Billie Whitelaw in that painting?

And PS/ Don't you just think that painting was simply MADE to grace a CD cover?

Definitely one of my favorite of Dusty's shoots. I'd love to see that 'Golden Hits' one in color - certainly working the eyes there! :P

Great pic Carole and doesnt Dusty look so today...years ahead of her time...or is it just how I see her? 🤔  
All the other pics just great too thanks to all...I will have to look and see if I can come up with one.

I think the image you posted, Carole, is perhaps one my absolute faves of the divine Miss S. I hadn't seen it prior to this thread but it really is exquisite. Absolutely lovely.

Misty, you must be reading my mind! I just brought two of those exact pics up to the scanner so that I could post them. Thanks for saving me the work 😊 There really were some fabulous shots from that photo shoot.

mmmmm..that second Dusty in Misty's last post is lovely.  
...I know Cor is away but maybe when she returns she would be so kind as to make that one into an avatar for me, I would greatly appreciate it. 😊
