Dusty Day first, Kath!! Best get yourself there this year! If I can make it from the US, you can make it from Essex.

Don't give her the choice, Clare !! It's both or nuttin.

Hmmm, I wonder if Katy could audition for this show!? or if it's already cast.

The person playing Dusty in the workshop for this show is called Mazz Murray. She's the daughter of 60's songwriter Mitch Murray and singer/actress Grazina Frame. You can see and hear her here <http://www.castaway.org.uk/clients/singers/mamu.htm>

😊Wow...Grazina Frame...that's an evocative name. It's the lovely Lauri Peters cavorting with Cliff Richard in Summer Holiday but when she opens her mouth to sing that's Grazina's voice pouring out!

Mazz looks promising Carole, thank you for the link. I see she impersonates Patsy Cline too amongst others, so shes quite versatile. I'd love to see her.
