Thank you for the "Goin' Back" cover, Trek! It's a cracker and it uses one of my favourite fonts too :)

Thanks for the covers Trek. Really liked the last one, from Denmark. It is a new picture for me. Wicked grin 😊. At first glance I thought there was a resemblance to Doris Day.

It's fun to see these. Thanks, Trek, for posting. The last one, with the fur coat around D's shoulders reminds me a bit of Elvis or James Brown with the cape, but with D's elegance, of course!

Lovely pics, there's another EP (released in Briain) which had a glossy yellow sleeve, Barbara had it, can't recall the songs on it though, Dusty has the Ermine Coat on in the pic.....

Frans,  
Thank you so very much. Such cute expressions. Also many covers had not seen or seen only small photos. Great to really see them.
