I don't get the sound, but I think you mean when she sings Heatwave, right? It was a band / bands? guesting the show. I have it on a video somewhere. They're called Chicanos or something???

I guess you're talking about Los Muchucambos who took up far too much space on that particular show! (show 5, series 2)

Yes - that will be it. I remember they sang 3 songs and seemed to go on FOREVER. They were a kind of latin-American Springfields with a very sinister-looking woman on lead vocals!
