If you have 96 Dollars to spare (!), There is an 8 DVD set of the Andy Williams Show available.

Dusty's 1970 guest appearance performing 'The Look of Love/Just a Little Lovin' (Early in the Mornin')/You Don't Have to Say You Love Me' is featured.

Looks like they may have edited Dusty's appearance as she performed a longer medley as in this clip

Presumably the DVD is in colour though, was all American TV in color by 1970?
