Carole R. Where am I going?

Posted - 19/01/2009 : 12:29:35

Wally Stott who worked with Dusty in the studio on tracks such as All I See Is You, I Will Always Want You and Where Am I Going, has died in Arizona. Wally, later known as Angela Morley had a full and interesting career, which you can read about here.

It appears she lived a long and happy life, and contributed much great music to the world. May she rest in peace.
