### Another Night (#p183326)

Someone on You Tube has had the bright idea of mixing together recordings of Another Night by Dusty and Dionne Warwick. I know lots of people attempt this sort of thing, but this time it works superbly well. Do give it a listen.

There's a lot of work gone into this and it's a great attempt. Their voices are really quite different so it wasn't an easy task to even have them singing at the same tempo. Nice cover sleeve too 😊

This is the best 'mix' I've ever heard ...the voices blend so well  
Which brings me to the question:? I would , especially with their love of Bacharach songs, why  
Dusty and Dionne never 'duetted' on record during their careers?

Thanks for that Jim - I thought that was really well done! Clever! What else, I wonder, could be  
matched up apart from the others we've already heard?!

I enjoyed this, too. Thank you for sharing it, I couldn't have had the chance to listen to it otherwise.

Wow, this is really impressive. Their voices go so well together. Makes me wish there was a \*real\* duet with them. And yes, as CG says, very nice cover sleeve.

It is worth noting that Dusty and Dionne admired one another's musical talent. Dionne even spoke very kindly of Dusty in her autobiography :)
