Universal have let slip out a series called 'Icons' - double cd's for less than £7. Dusty is part of this series, along with Marvin Gaye, Tom Jones, The Supremes, The Temptations, Smokey & The Miracles, Kool & The Gang, Jackson 5, B B King and Lionel Richie/Commodores. The Dusty cd has a nice yellow cover. All the cd's are very good value.

This cd was released a year or so ago in Holland with a different sleeve & title, not too keen on the yellow!

Thanks for that!- I was going to do it today. The yellow background doesn't make it easy to read for people under 30! 😊
