OMG Mads you are worth your weight in gold finding some of these?!?!?
Definitely several I've never seen.

The last one is that Memphis blouse she wore on the American LP. But with different hair. Looks wonderful there!

I also like that publicity photo. Is that from the Grand Finale era? I've seen one with similar hair. Is that a leather or cloth jacket in the pic?

In pic three, who is between Dusty and Gene Pitney?

Only the first pic is a little weird; looks like she lost her neck or something. Bless.

Mads, do you have any information about where and/or when any of these pics were taken?

No 1 isn't a look I like, it was the bubbly wig, just didn't do it for me.

No 2 is at the City Arms in the East End in 1964, with Peppi and Dionne.

No 3 is at San Remo and yes, it's a very young Kiki.

No 4 this is one of a set of 3 or 4, not sure where they came from but there's little Einstein 😊

No 5 Cheers!

No 6 thought at first it was the blue leather jacket that the fan club bought her but not too sure, it looks too shiny.

No 7 is possibly taken at the NME poll concert in '68.

The fan club bought her that blue leather jacket! Details please.

I wonder if the jacket is the one that was for sale 2 Dusty Days ago...I have a picture somewhere...Emma W modeled it I think.

It was the members of Dusty Springfield International that bought the blue leather jacket. (Dusty chose the jacket, we just supplied the money !) The Fan Club had a bit of a do in a hotel in Bayswater and Dusty turned up wearing the jacket and sang a few songs with Simon Bell, 'We Are Family' and 'What Have I Done To Deserve This'. The place went wild. I can remember standing on a table trying to get a good view, Dusty also signed photos and members gave donations to a seal sanctuary in Norfolk that Dusty supported, there was a rather nasty seal virus going around at the time. I seem to remember Dusty had flown in from Amsterdam to be there.

Was any one else at this DSI Party.

So this is the blue jacket in your photo? I've seen some other pictures of that day--the jacket looks a lighter blue there.

Must have been fabulous. Lucky!

I wasn't there Tom, but I do have some pics that I can post. I've a feeling that Pat has that jacket now. She wore a blue leather one that had belonged to Dusty for one of the NFT nights, I'll have to check through my pics but I think it's the fan club one.

A couple of pics of Dusty in the leather jacket from the fan club do and one of Pat wearing it at the NFT in 2000.

The National Film Theatre held two Dusty evenings. I think one was in the summer of 1999 and the other a year later. Nancy, if you look at the Definitely Dusty video, the opening shots were taken at the first one. They showed newly recovered footage at the first one that we hadn't seen since the 60's and the second one was a mix of stuff, including a Tom Jones Show. And it was all on a big screen, wonderful. Pat didn't make it to the first one, so that pic was from the second.
