10 THINGS YOU DIDN'T KNOW ABOUT... EAMONN HOLMES

This Morning's summer host, 47, talks pint-pulling, pictures and pants

- When was the last time you cried?**
I can't remember the last time, but it was probably when I heard *Ain't No Mountain High Enough* by Diana Ross. It's in the movie *Stepmom*, starring Susan Sarandon and Julia Roberts, which I watched with tears streaming down my face. Any film about mothers or children dying sets me off, and I can't listen to that song without welling up.
- What can't you resist?**
I can't walk past a DVD store without going in to buy something. I also can't stop at a petrol station without getting Sports Mixture gums. They're shaped like footballs and tennis rackets, and I love them.
- What's your wildest fantasy?**
I'd like to pack it all in and work on a ranch in Colorado somewhere. John Wayne is my hero, and I've always fancied being a cowboy. I'm good at horse riding and shooting, so I think I'd do OK.
- And your biggest fear?**
I'm terrified of water. I can't swim. I've had lessons as an adult, but I couldn't get on with it, and it's a bit late now.
- What would you have for your last supper?**
Apple crumble and custard! Lots of it.
- Do you have a recurring dream?**
I often dream I haven't revised for my A levels the night before the exam. I think it has something to do with being on breakfast TV – whether you're going to be interviewing a soap star, actor or politician, you have to swot up the night before.
- What's your biggest regret?**
I wish I'd been wilder in my youth. I was very well behaved, and I can't
- If you didn't do what you do now, what would you have done?**
Run a bar. It's similar to what I do now – you talk a lot of nonsense to people. I used to work in a bar in Belfast. I presented the teatime news on TV, finished at 6.30pm and was pulling pints by 7.30pm.
- What's the worst job you've ever had?**
I worked as a trainee manager for Primark in 1978. I was in the women's underwear department
- Have you ever had indecent fan mail?**
Oh yes! I used to have this woman who'd send me naked pictures of herself. She had beehive hair and thick Dusty Springfield make-up, so she was either a retro chick or the pictures were taken in 1963!

Can't you just see Eamonn managing a women's underwear department!

misbehave now because I'm on telly.

for a while, and women would try to return pants, saying they hadn't worn them, but let's just say I wasn't so sure that was the case.

He'd love to be a cowboy

Cheers! He'd be a great barman

I should have realised I was making a big mistake posting that! I can assure you, if the Allo Allo Tart was sending out naked pictures of herself, it would never in a month of Sundays be to Eamon Holmes 🙄

LOL I think ya shot yourself in the foot Fatima 🙄

You are right though, the allo allo tart would never do such a thing, she would send em on to Rene' Atois instead 😊 Just be careful they don't go walkies in the post...
