No worries Cas. 🍷👍 In this case I took your cutting from Facebook to my desktop and in the process it somehow reduces the bites, yet somehow keeps the photos dimensions (Excuse the gobledgook 😊) I don't know how it works exactly. If that hadn't have worked I would have took your pic and put it through a Photo-editing process like Pizap which does the same thing. (Again, no idea how, but it automatically reduces the bites) Hope that made sense. 🤔 😊

Great articles Darren and Linda ❤️

That's a really good in-depth review of 'Where Am I Going'. I especially like the last paragraph/sentence 🙌

Fancy being called 'a British maid', it sounds so old-fashioned! I thought the 60's were meant to be groovy and trendy?! It's a nice article though, and Dusty sounds so sweet and cute ❤️

I wonder what they are drinking? I'm sure I've seen that table before, and there were ordinary cups & saucers laid out as well... 🤔

Haha Linda...I know you love that blouse! 🙄 Yes, reckon it's the same photo, but what are they drinking? Can't be coke - with a saucer, and surely they wouldn't both be drinking black coffee? I'm just hoping it's not bovril or suchlike! 😂

Re: Articles and bits from my paper files. (#p167373)

I know Fiona I do love that blouse probably because I had a similar blouse when I was around 18/19. I just adored it but, I don't think I looked that good in mine as Dusty does in hers....

As for the coffee/Bovril/suchlike. Yes I wonder what they were drinking if not that???? Must have been in a trendy part of London with the outdoor seating. Don't remember too many of those in the 60s.

I'm in my element at the moment with all Dustys' music and photos in a slideshow played through the Apple TV onto our TV. The only way to do housework!!!! 🤖 🤖

I've always thought it was a rest after charging around the park with that hugh dog. Wasn't the '60s the start of the "Floaters" or "Irish Coffee", always served in a glass?. Irish Coffee - black coffee with a shot of whisky and fresh cream floating on the top. Mmmmmm very nice!

Great review to read, Darren, thanks!

The first one totally confuses me. It's hard to tell whether he likes Dusty at all or not by the review. On one hand he makes a point of pretty much saying she wasn't that important or significant and then goes on to defend her like he really does care? Make up

your mind, man!

The review of Something Special was great. You can tell the reviewer is a real fan and has a huge appreciation for Dusty and her music!
Thank you for sharing them!! xx

Darren - brilliant articles, thank you so much 🤔

There's a couple of quotes that I agree with so much that I could almost have written them myself!! They are:

Her diversity is breathtaking, covering a broader spectrum of moods and styles in two hours than most 21st Century chanteuses could manage in a lifetime.

Her unassuming and self - effacing charm seems at odds with the magnificence of the voice.

FANTASTIC! ❤️⭐️❤️⭐️❤️

That last page is so well written and expresses a lot of our thoughts I'm sure.. She was such a talent and still underrated to a certain degree.

Dusty was able to sing so many different genres of music all of which I love. And I love the way she makes the listener feel like she is singing just for them.. 🌹

Agree totally with your sentiments All. 🤔 What a 'plank' that First reviewer was, and like Gina says two different people must have wrote that review, cos the headline claims Dusty was that important. 🤔

Well done Darren 🍷

Both good articles and the second one covers the 'Full Circle' dvd really well.

I must get around to getting that DVD as I've only seen bits of it on YouTube.....The ones that they haven't deleted anyway!!!!

Really great Darren - thanks for posting them 😊

Love the bit about Dusty's hand being super-glued to the table! What a character! ❤️

It was weird the DVD the BBC put out of Full Circle actually cut footage from the TV broadcast 😞 you would have thought the opposite, that they would add to it. 🙄

Great anecdote Fiona, it sounds horrible 😞 but you kinda hope it was true to emphasize further (if it needs it) what a gal she was. 🙄

1. Record Collector

2. Q? 😞

3. Record Collector Letters page. Warning! the letter is not AT ALL about Dusty, 😞 but explaining about hers and other artists's absence from a TOTPS DVD issued by the BBC. Dusty only merits a line or two, but a interesting article. 😊

Fantastic again Darren, and very much appreciated 🙌🙌

I wonder why ITV didn't re - commission Dusty's show after it being so successful that they had to extend it's run? Maybe she'd had enough?? Must have been a massive commitment....

No worries Fiona. 🙌 I remember reading about Dusty not being happy with The ITV set up and crew and I believe she said she would never work for ITV ever again, and they were amateurs compared to the BBC or something in that vein.

Great articles Darren 🙌 🙌 🙌

Just wonder, in the Full Circle review, when did she ever sing 'She Moves Through the Fair'? 🤔 🤔

I think the reviewer got their Irish folk songs mixed up Donella, it was likely My Lagan Love.

Great articles Darren. Very interesting. 🙌

Seems like ITVs loss and a gain for the BBC. She certainly wasn't happy working with them 🙌 .

Glad she found her way back to the Beeb!!!!

Thanks Donella, Carole & Linda. 😊

Agree Linda 🍏 but both BBC and ITV were equally adept at wiping Dusty's tapes. 😡

Excellent Darren - thanks so much 🙏

Now I have to confess, I have never heard of 33rpm on one side of a record, and 45rpm on the other side 😳

I find that a fascinating thought, though it's a bit beyond my level of understanding 😬

Love the 'Dusty....Definitely' review, especially as I only received my copy the other day! ❤️

Carl Wayne and Dusty being a 'little worse for wear' in the studio would have been interesting... 🙏

Very interesting reading again Darren, and a new word for my vocabulary, 'Dickering'!!

It never ceases to amaze me how many strange prefixes are used when Dusty is written about! This time we have 'Cat loving Dusty Springfield'! How exactly is that significant? I would write 'Fantastically talented and gorgeous superstar', but maybe that's why i'm not a journalist! 😊

Wonderful Darren, thanks for posting 🙏

Have to agree with that Fiona about the titles they give Dusty. The 'Cat loving' one makes her sound like she's a Crazy old lady.....

Yeah! Fiona & Linda 🙄 it's so tiresome the journalists all seem to agree that Dusty had a great voice, mostly great material, so why is there the need to say anything else that's totally irrelevant. 😞

All Record Collector.

It's just so hard to believe that so much archival footage has been lost or destroyed 🙄 🙄 It would have been great to sit back and watch those shows now with some of Dusty's music that wasn't released on vinyl. She had some terrific guests as well 🌟

No problems Linda & Fiona. 🙄 We live in hope that some where in China there's an

archive of Dusty material, including every show recorded for BBC & ITV. 🙄 

1. A lot of this paragraph on Dusty is missing 😞 Record Collector
2. Record Collector 1999 😞
