August PBS Special - Girl Groups w/Dusty (#p125577)

by **edjames** » Wed Jul 03, 2013 4:53 pm

Another PBS special featuring a rarely seen clip (at least here in the USA!) of Dusty singing IOWTBWY from her 1967 Australian Bandstand program.

Coming in August, check your local listings.

Here is the trailer for the show with Dusty:

Enjoy!

FYI - Odd that Dusty gets catagorized as a "girl group"....LOL, but sooo nice that they honored her with a clip.

A friend, a few years ago, explained that girl group thing to me as I always found it strange too. It's a sound, and Dusty had it, especially as she almost always had a backing of girl singers behind her. I have quite a few Girl Group albums with the likes of Dusty, Connie, Lesley, Ellie, Darlene etc on them. A shame that they're using that later version of IOWTBWY, she doesn't actually mime it very well.

Any clip of Dusty is a welcome addition.

Yes, perhaps not the best clip but I'm always grateful she has been honored and remembered.

In fo on a 6-CD set issued with the TV special. looks like Dusty scores very high on the track list...5 hits.

And, a number of songs Dusty recorded or covered.

New summer release, "My Music: 60s Girl Grooves". The show is a celebration of female singers, soloists, leading ladies, great girl groups, and (yes) mixed groups with female leads - that also include some male vocal harmony. There will be a new tv special including all archival footage from many of the artists featured on this collection and more.

60's GIRL GROOVES

Airing on PBS in New York, Sunday August 4th. Check your local listings...

Join host Mary Wilson of the Supremes as she celebrates the greatest girl groups and solo singers of the 1960s, including archival performances from The Supremes, Dusty Springfield, Aretha Franklin, Petula Clark, Martha & the Vandellas, Jackie DeShannon and many other favorites.

Preview clip (Dusty #3):

Not my favorite clip and I still can't figure out why she walks away before the song ends...perhaps a long day in the studio?
