[Birds of Britain \(Re-issue\)](#)

No! not a naturalist book, but photos of 60's icons taken by John d Green. Not sure how many pics there are of Dusty ? The one we are all familiar with is the sleeve to "Where am I going".

This Daily Mail write up has a section on Dusty. The original hard back available through Amazon at £120 !!! . Other sellers around for second- hand, paper backs etc. Re-issue next year.

Thanks for head up on Snapgalleries. Wow! what a price, and that's the limited special price for collectors.. I will not be buying it as I do not have a coffee table large enough 24" x 18", nor the money, or strength to lift it. 😂

It appears that there is only the one picture of Dusty (WAIG).
