Thought I'd post these pics, though I'm sure I've posted them in all sorts of places before. They were taken in the dressing room of the Brooklyn Fox when Dusty was appearing on the Murray the K show in 1964. I had a pen pal back then called Vicki Jackson and she just happened to be a cousin of the Ronettes, which is how she came to be in the dressing room. I met Martha Reeves about 4 years ago in Manchester and gave her a copy of the photo, she said "ah, look at us, we were just children".

Wow!.....Thanks for the photos Carole, it's always nice to see Dusty in informal moments!
Guess that was the 'Dancing in the streets' tour you met Martha....she was down our neck of the woods too!
Martha gladly comes into the lobby of our local Theatre to sign autographs, have photos taken, etc;.....it's great to see a legend up close!

Yes, it was the same tour Mark. I'd written to Martha and she was waiting with my letter in her hand....once a groupie, always a groupie 🤪 They weren't exactly living in style in that dressing room!
