Okay, the pic of Dusty in the aviator glasses and shoulder length hair is from Nov 1972 according to DSB issue 57 page 25. (Some pics of this show just her face and others show her in a long dress that zips up the front, shoulder bag over her arm.)

Well it's all right to go on and live your life, so come out into the light....

Shes so tiny!

Okay - NOW MORE PHOTOS! 🍷🥰

Does anyone know what year the photo of Dusty sleeping was taken??

I'd say the one above and the sleeping one, are both from 1965. It's what I think of as her Middle of Nowhere hairdo.

Also, Dusty is singing live (with mike) and RSG only went live in 1965, I think.

Dusty looks really really cute there and the plaid highlighted against the tapestry is ...well....startling to the eyes.

Here's a full length shot. I'm not sure of the show, though I feel I SHOULD know, could be a Lulu one, I'll delve a little and see if I can find out.

It's possible the picture of Dusty in purple is from the Carpenters show. I just posted the one of Dusty and Karen on the 'Dusty and...' thread and it sure looks the same. That would definitely make it 1971, August to be exact.

C'mon guys someone MUST have some photos they know the dates of...even if you have something for me to look up maybe? Like approximately...we only have like 30 photos left!

This should be so easy...I have like 700 photos of Dusty on my computer!!! 🤪

NOTE TO SELF: Date photos!!!!!!

Mads xxx

lol. I know what you must be thinking. I posted a copy of Dusty's death certificate (she saw it and said it was sad) but I removed because it wasn't reeally appropriate.

Mads, if you look throug the avatars, Dusty06 (Dusty wearing a helmet)is from 1982.

The photo was on the back cover of the *White Heat* album that year.

Full circle was from 1994.

This one is from 1990. Cover of the *Arrested By You* single.

p.s. there is a photo in *The Complete Dusty Springfield* of Dusty with Richard Carpenter at the recording session for *Something In Your Eyes*-this is definitely from 1986. Unfortunately I don't have a scanner (or know how to use one!) but maybe someone else would be kind enough to do it.
