It's a screen shot, with Dusty in the dress with the full skirt, and her hands look they're moving...like time lapse photography.

I know I have it somewhere but when I'm desperate to show it someone it's nowhere to be found. If you have it or can direct me to it, please do

I don't trust my memory, what's left of it, but I think it was a screen shot I took or Rob took. It's the pink dress with the v neck and full skirt, b think it's on these boards somewhere. I have to find it very quickly or it won't matter. Grrrr!
