Now that's what I call "Cats Eyes", what would Dust make of these.

I'd rather see the world the way it used to be.....

Wow! Those are fantastic Pat....Dusty would have loved them! I think I'd go for bottom left 'cos that looks just like my JJ - meow, meow 😊

The lower right one is Dusty all the way - the black lid and purple overtones.

I think Dusty's eyes have quite a feline shape - perfect match for those cats

Nicholas has beautiful eyes just like his mum, except they are blue.

Oh, Nicholas!! He's such a model cat, he looks like one of them they photograph for calendars 😊 He's such a handsome boy. Wonder where Dusty came up with his name!

He's a beauty. I can understand Dusty being devastated at having to leave him. At least they are together now, bless them. ❤️

I wonder if Dusty took this photo?

Claudia, I seem to remember he was named after a Russian Tsar...not sure why though?

I love rag doll cats! Nicholas happens to be one of the REALLY beautiful ones, but they are all very other-worldly looking. And imagine their excitement when they were reunited! 😊

Hmm, I never knew that! Thanks, Fiona! I just thought Dust may have liked the name! 😊 not sure if Dusty took that one, but I know she took this one 😊
