Every year there are new compilation CDs of Dusty released, almost always featuring the same familiar hits. If you could pick three less well known tracks to include on the next one, which three would you choose?

I Just Wanna Be There from *Cameo*
Ain't No Sun Since You've Been Gone from *Dusty...Definitely*
Gotta Get Used to You from *White Heat*

What three would YOU pick, Clive? 😊

Good question. I often think that if I were on Desert Island discs (when I become famous, obviously), I'd have to choose a lesser known track just to show everyone what they're missing.

I'd go for:

hmm tough one as there are so many super duper great Dusty songs that did not reach all too many ears.

..I would have to start w/ my favorite

'Baby Don't You Know'
"Of All The Things"
(tie) 'I Don't Want to Hear' it' & 'Let's Talk It Over'

Good thread Clive as I have thought about this topic myself, guess most of us have at one time or another!

Kristel I very much like the ones you selected.
