It always has, and always will be this Gown.....

I know this photo was taken in colour, but I can't find it anywhere, if anyone has it in colour, and can post it/e-mail, I'd be *extremely* grateful!!

That gown is just fabulous! When she moves in it (see Get Ready), it swishes from side to side because it's so heavy, the beading weighs a ton 🤪 Well, slight exaggeration but it must have been such a weight on her shoulders. This is the beading close up.

Mads, I think if I'd got my camera that up close and personal whilst Dusty was wearing that dress, she'd have had me arrested 🤪 Pat has it now, it came to her after Fred Perry died.

I love the Hippodrome dress that Matt posted, she wore that such a lot, it must have been a favourite.

Some of the ones I like that are already in my photobucket.

Sorry that's me and not Dusty but I couldn't find one of her in colour!

■ SIXTIES star: Dusty Springfield shot to fame with her single I Only Want to Be With You, and clocked up 17 hits in 10 years along with a series of acclaimed albums

Two that I also really love are the second outfit from RAH and the one she wore on the Tom Jones Show when she sang I Am Woman. Can anyone do a screen grab of that one?

I know lots of people like the 2nd RAH outfit, so that should be in the poll IMO. (I also like the first RAH outfit.)

Is one of the dresses above the one that is "gold" on the cover of Dusty Definitely?

That's where the close up beading is from Nancy. What I always think of as the Dusty

Thanks for posting the pics Carole, the Gown you're holding looks like the Morecambe & Wise appearance one?, where Dusty sang 'How can I be sure'

Thanks for the close up of the beading of my own favourite, I'm glad this particular gown still survives and is in Pat's safe hands, maybe I'll see it one day!

Yes Mark she did wear it on M & W, she also wore it for ICMYACTT (the one with the clock) which turns up on different compilations now and initially for the last of her second series where she finishes with YDHTSYLM. And no, I'm not obsessed with this dress 🤪🤪

What WAS I thinking when I suggested this poll... Dusty had far too many fabulous dresses!!
We need a poll for every decade! Yay! 🤗

We still need submissions for the 70s, 80s, and 90s. Post them here, ok!

And I'll start a poll on her best 60s dress...! 🤗

Love,
