Ok you guys,

You know I value your opinion. Y'all know everything "Dusty". 🙌🙌🙌🙌🙌🙌🙌

I found this link on the internet, and I was reading another thread on performances. This has a lot of stuff, and they tell you it was compiled by a fan. Could it be one of us??

I was thinking about trying to purchase this. Please give me ALL of your opinions, good or bad? Puh-leeze?

Surprised you haven't gotten any comments...c'mon folks, I'm not the only one with an opinion or two. My two cents.

One of the questions for me with this collection is what is the quality of the recordings. Some years ago there were lots of bootleg video recordings, some of very marginal quality, floating around. who knows what fan/s originally recorded these. I imagine they are a compilation of clips they've obtained from various sources. These days there are lots of legitimate DVDs to purchase, many with good quality. However, a lot of the clips on this collection aren't available elsewhere.

At the same time, it does bother me how these folks are saying no copyright infringement intended and they assume all this is in the public domain. I doubt that seriously. Paul Howes is a good example of someone who does things properly, pays for copyright, and sells legit merchandise. There are also other high quality legit DVDs for sale, the best of which is the BBC recordings, IMO. And several documentaries. So, I'd start there.

Thanks, Bosseh.

I already have some DVDs, I have  
Dusty Live at the BBC  
Dusty Reflections  
Dusty Once Upon ATime (from the British Invasion Series)  
I finally got Ready Steady Go  
Am trying to get Just Dusty and RAH

I don't know. Usually when something seems too good to be true it usually is, which is why I was asking for opinions.

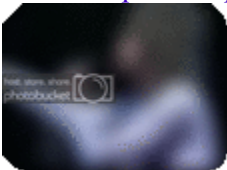

Thanks again for responding.

Sounds good.

Yes, you need Just and RAH.

Also be on the lookout for Dusty in Deutschland and anything else Paul has done.

Documentaries Dusty Definitely and Full Circle are a must; Living Famously is another one. I even think some of these are available via LTD. And some may be on youtube.

You can also post requests under "I've Got a Good Thing" -- a fellow fan may have something they'd copy for you, for a donation to the flower fund..
