CONTINENTAL CD (#p9234)

by **andyp** » Wed Mar 03, 2010 3:22 am

Would anyone please have or do a copy of the Continental CD (foreign languages) that was released? I have a contact (who I have advised to join this site) who wants this and so do I. I would appreciate anybody's help.

I'm presuming you mean the CD Paul Howes released with proceeds to the Royal Marsden? If so, it was still available when the last Bulletin was published and I believe he still has copies.

I would love to find a copy of this CD as well. I sent an e-mail to Zone Records but have not yet received a reply :(

It's a fantastic CD, and I'm sure you will hear from Paul in good time.

Do you also have Something Special 2 CD set? it has some nice international tunes on it, too.

I do hope to hear from Mr. Paul, as his CDs seem like real treasures for Dusty fans.

Yes, I was fortunate enough to find a used copy of Something Special from eBay some years ago. What a nice assortment of rarities to be found on that set!
