Haha for someone who got photographed so much, there are surprisingly few bad photos of Dusty (shes got her eyes shut, looks funny from that angle etc...).

But there are some Like I'm not saying Dusty looks bad like ugly though, just funny

I got a few weirdos. (I just save all the ones I haven't got so sorry if it's yours!)

I do too! That picture tells a Dusty story. Diamond stockings, big hair, cat (watching the record

go round!)and LP collection, which, if you look carefully, includes a copy of Black Nativity, the show that brought Madeline to England.

I don't seem to catch the weird part in many of your photos, Matt! But, it might be me...
