This week Dusty is at number one in the UK compilations album chart 🤔👍
'Be my baby' which features some fabulous girl groups and girl singers from the sixties
(and includes IOWTBWY) is the biggest selling album this week 🤔

Just give me half a reason to post this again 🤔.

I just couldn't decide which one 🤔

I do love this non studio version just as much. What do you think?

Both versions are great, Rob. Though it was brilliant to see the enthusiasm of the audience in the live clip 🤔

And great to hear Dusty's at no.1 with the CD 🤔 Can't wait for my copy to arrive. 🤔
