Mary,
I have seen a video of Dusty singing with Jose F...but I think it was from a TV show...she may have performed on stage w/ him though...if they did it would have most likely been in California.

I've only ever heard of Dusty appearing at the Greek once and that was with Peter Allen in 1980. Dusty and JF may have appeared on other tv shows at the same time but the only clip we have of them together is the one above from Dusty's second series.
