Hi everyone!....this is something I shoulda asked yonks ago, while listening to the BS version of 'Turn me around', 3 mins 15 secs into the song Dusty sings what sounds like "ooh hoo hoo ?? " as the song reaches it's final part, could anyone tell me what those words are please?

On the shorter IBA version it's "aaah sweet baby", at that point, but it dosen't sound like it to me on the BS version

Hi Mads, it's the version on 'Beautiful soul', meant for 'Longing/Elements but never released, Dusty liked the song so much she re-recorded 3 years later for her comeback album 'It begins again', though that version is shorter and is slightly over-produced.

I popped Beautiful Soul cd in to have a listen (got it the other day 😊 and hadn't listened yet) and it sounds like to me :

'oooh oooh (or ahhh?) im asking'

Yeah Elyse, that's what I think it is too. I've listened a few times and it seems to be Oooh Ahhh I'm askin'.

I'd like to know what the last word of Who is. Lyrics I've seen say Bury me again, but Dusty doesn't sound as though she is singing "again" to me (and it doesn't make a lot of sense). It sounds like Bury me a care but that doesn't make sense either. Any ideas?
