I would hope that both the Dusty songs, Messin' About on the River and How Can I Be Sure are on there, but I can't find a list. The pic on the front is the one from the show.

Thanks, I got this DVD today and the good news is that both *How Can I*

Be Sure and Messing About On The River are included on disc 1.

Now John don't be like that Des is very easy on the ear, infact I always thought he was the British equivalent of Dean Martin.

I saw Des many years ago at the London Palladium and his show was absolutely brilliant!
