Discovered a 'new' Dusty recording! (#p74666)

by **Brian** » Sat Oct 08, 2011 8:19 am

Right now on SOTS Brian Matthew is playing a track called 'Groovy baby' by MICROBE. This single made the UK singles chart (position 29) in May 1969.

'MICROBE' was only THREE YEARS OLD - his real name was Ian Doddy...and he must be the youngest ever to have a chart record??

What was amazing was the 'backing' singers were Lesley Duncan, Madeline Bell and DUSTY!!

I really cannot remember this record - does anyone else?...and more importantly - HAS ANYBODY GOT IT?!!!

Brian

Brian, don't you remember that Radio 1 DJ Dave Cash used it as his catch phrase?

Re: Discovered a 'new' Dusty recording! (#p74677)by **daydreamer** » Sat Oct 08, 2011 9:50 am

I didn't hear SOTS this morning but Microbe and Groovy Baby have just been dragged from the recesses of my mind! Something I'd totally forgotten about.

Microbe. Real name Ian Doody, he was just 3 years old when he took "Groovy Baby" to no. 29 in 1969! His dad, Pat, was the news reader on Radio One at the time and his son would sit in front of the radio and 'talk to daddy'. He recorded the lines and used them on the Dave Cash show. Chris Andrews heard it and wrote 'Groovy Baby'. The chorus was by Maddy Bell, Leslie Duncan and Dusty Springfield.

Interesting thread thanks Brian, I had never heard about this track before.

I'd forgotten just how bad this song was. I can't hear Dusty, Lesley or Madeline! There's no mention of it in the 'bible'. Why on earth would these three great singers appear on such trash. I'm not convinced. Perhaps someone could ask Madeline about it at the next DD.

I would never have guessed the (alleged) background singers...

I own this single! It was given to me by my sister's boyfriend when I was five. Which makes it the first ever Dusty Springfield recording I ever owned!  It's only recently I've found out about the connection. It might be trash, but I love it. It's really silly fun and must have appealed to Dusty's sense of humour. I used to take it along to parties to play in the eighties when everyone still had turntables. It *always* got a good reaction.

Shades of the Lana Sisters!! When Dusty sang three-part harmony with women you never did hear her voice and this is no different.

I notice there are endless Dusty recordings on U Tube, Dusty is collected as she is wonderful and chic in

performance and defines everything that is retrospective in popular music, while having a style and a

a forever gentle congruence in conversation. Love and miss u Dusty...

Love to u all, before i go in Leeds there is a shop titled, "Dustys and Dillans." See u all here Sunday...

"is there a chat forum here, new to Dusty land....."

 Those are sweet things to say for Dusty Lemmy.

I'm sure she heard you.  

I don't know how to do that chat thing.

One third of my day is gone to labor. 

See you here on LTD.
