### Don't Forget About Me UK Version (#p187345)

by **Susan** » Tue Nov 14, 2017 9:32 am

Hello everybody,

does somebody know where I can find the Uk Version of this song?

Thanks

Nadine

Hi Nadine,

Don't Forget About Me was originally recorded in London a year before DIM, but was not issued. However It is available now on the 1996 album "Something Special" (Check track list as they do vary). You can stream the one track via Amazon UK or purchase for 99pence.

I am not that clever to know all D's recordings but the bible, " The Complete Dusty Springfield" by Paul Howes has all the answers.

The UK version of this song first appeared on the 2-CD set *Something Special* issued in 1996. It was also included as a bonus track on the CD reissue of the album *Where Am I Going* in 1998. The former has now been deleted and an Amazon Marketplace seller is seeking £71.81 for a new copy. However, the good news is that *Where Am I Going* is still available from Amazon UK for £9.95.

Alternatively, the track is available as a download from Amazon. The UK recording has the words 'English Version' in brackets after the song title.

I know it's not as polished as the Memphis version but I do like it....a lot 🙏 Thanks for the video Darren.

Absolutely love this version of the song--much prefer it over DIM one.

When I was married 4 years ago, this version is one of THREE songs we had the band learn to play just for us.

It's not from the UK, it's from Austria. But isn't it an absolute beauty?
