Hello All

There's a hoarding at the bottom of my road which is used by Indie record companies for advertising, and I had to look twice at the one which appeared there today:

Hi Anni, I posted something about that on another thread, came across it on the net by

accident. Weird isn't it? But brilliant that Dusty's up on the billboards!

I'm SO jealous Annimac!

We don't do poster hoardings in Bournemouth and we wouldn't know Indie if it bit us on the leg.

It's all too twee by half - no wonder I feel conspicuous sometimes..

Certainly nothing around these suburban parts but I'll head into town at the end of the week and scour the Northern Quarter. If it's anywhere, it'll be there.
