He did, but as there's no other confirmation, I am dubious of the claim. And Martha herself says 'no' in her autobiography.

I'm surprised she addressed it at all! Do you recall what she had to say about it?

Martha described an incident where Dusty drove to the town that Martha and The Vandellas were appearing in to pour her heart out about some personal problems. Dusty then fell asleep on Martha's bed, and she covered Dusty with a quilt "like any friend would". In the morning someone from Martha's entourage knocked on the door, and when he looked past Martha he saw Dusty in the bed. He then told everyone and Martha came in for some teasing, which she implies was the source of the persistent rumors about her and Dusty.

I'm wondering if this link to research video would be a way to acquire Dusty's interview on the Paul Ryan show?

This is completely out of my league, Frans or Samuel, will you look at it, or anyone skilled with

getting hard to find videos?

(didn't he interview her on the DVD "once upon a time " when she was promoting one of the "lost years", albums?)

NOW AVAILABLE ONLINE, with a catch!

http://www.heretv.com/legends_from_here/episodes/1/38 (http://www.heretv.com/legends_from_here/episodes/1/38)

Episode 38 is available on Here TV.

Alas, it can only be viewed if you subscribe to Here TV. \$7.95 a month isn't a bad price to pay, but only if you can cancel after 30 days.

I'm sure there are some tech savy members who will be able to download it to their computers without a lot of fuss and bother.
