Don't worry we have more than our fair share of rain here in the north Dorn, your Rose will be just fine.

Here's one of mine taken just this morning.

I am envious of all these lovely photos of the rose.
I have dug mine up as it was very poorly ...hope it will survive and be better in its new plot.

Last of the DUSTY rose photos for 2015. Still have a couple of buds but do not really think they will mature now!!

Sad but that is nature. 😞
