[Dusty Video Interview around 1969 to 1971](#)

by [DavidAFranklin](#) » Mon Aug 03, 2015 11:23 pm

Does anyone have any idea where I can view the full interview that a couple of clips are shown on the Reflections DVD where we see Dusty wearing what looks like a white faux fur vest and is being interviewed by a man off camera. There must be more to it than the couple of clips that I have also seen on the You Tube Petula Clark / BJ Thomas interview about Dusty

but so far I can't find the whole interview. 🙄

It was part of a Dutch TV show called Just Dusty broadcast in 1971.

Here's a link to previous correspondence on this site about it:

It doesn't seem to be around as a full interview, just as clips interspersed with the footage on the Dutch 'Just Dusty' TV show. Whether it was recorded especially for that show doesn't seem clear and I haven't been able to find out any other info about it.

There's a part of you, that's a part of me...

Jim/Carole-

Thanks to you both for the response. The link you sent when clicked on goes to a site for background checks for some odd reason. I tried it a couple of times. I will keep searching and hopefully will find it somewhere somehow.

Thanks again.

Jim- I am so sorry....it did work...I was referring to the link posted on one of the posts on that page your link sent me to. Unfortunately we are no closer to finding the interview. One thing I am pretty sure is that there is more to it than just the 4 excerpts shown on the Petula Clark Commentary video (parts 1 and 2). It looks like it was done in a dinner theater as you can see and generally interviews have a beginning where they start and end where they wrap it up. It seems like the only video interviews that are easily found are the black and white ones from a few years earlier or the ones in the late 70's and later, I just know it is out there somewhere and am determined to find it and do appreciate your help. Thanks again.
