### Dusty - You Don't Own Me (#p127940)

by **lesleysuegorefan** » Thu Aug 01, 2013 4:12 pm

Hi to everyone!

Yesterday I have heard to some of my first CD's of Dusty. On one called "Dusty Springfield - Most Famous Hits" is You Don't Own Me (orig. by Lesley Gore) this version sounds different as the Version on "A Girl Called Dusty". Especially at (ca.) 1:50. If anyone want the tracks, please contact me and I will send it to you.

Best wishes 😊

There have been two different versions of 'You Don't Own Me' issued by Dusty's record company.

The version issued on the 1964 album 'A Girl Called Dusty' was never mixed to stereo, so that even on stereo versions of the album this track was in mono. This mono version was also used when AGCD made its first appearance on CD in the UK in 1990. This performance is the more polished of the two versions.

An alternate take from the same sessions was discovered on the vaults in the 1990s and was mixed to stereo in 1996. This version made its first appearance on the 1997 UK CD re-issue of AGCD. The vocal on this version is much gutsier sounding.

Also in 1997, a further stereo version of the track was issued in the US by Taragon. This time the vocal track from the original 1964 issue was matched up with the orchestral tracks from the 1997 issue to create a stereo version with Dusty's originally issued vocal. This appeared on the Taragon CD with the cumbersome title 'Stay Awhile - I Only Want To Be With You/Dusty'. This CD does not appear in Taragon's current catalogue, but new copies are available from US Amazon Marketplace sellers at prices ranging from \$39.00 to \$129.99. At these prices this album is for completists only! On UK Amazon the prices range from £29.95 to £89.00.

Hey!! Thank you for you answers! Very interesting. I like the alternate mix more than the first version. ...Hearing to Magic Garden in the moment! This song is really great!
