[Dusty and Andy](#)

by [dig123](#) » Fri Oct 31, 2014 8:02 pm

Just watched the short clip on FB of Dusty and Andy Williams. I wanted to see more and found her singing with the Osmonds (funny to see Dusty singing with a little kid) and another song with Andy. They seemed to have some chemistry. She was on so many, many TV shows back then! I can't keep track of the stars she sang with. Wish I had all those songs on a CD. Dusty singing with Tom, Mel, Andy.....and on and on. That would be a bit different.

Yes, Dusty seemed to have amazing chemistry with most of her Co-stars on TV, she rarely, if ever seemed out of place, overawed or out of depth with anyone-Scott Walker, Tom, Andy, Karen Carpenter, Bobby Darin, Mel, Jimi Hendrix, Martha Reeves & all the stars of Motown, the list went on for ever....

Nothing or nobody phased her 😊

She sang with Karen C.? I knew about Richard (even though if you believe him, that single only had his name and Dusty technically doesn't exist on it), but when was this????

Think they performed together in Make Your Own Kind Of Music in 1971.

Karen & Richard Carpenter "Make Your Own Kind ...

Only thing I could find was this brief

12 second clip at start. Don't know what song (If any)they performed together????

It would have been wonderful to have had a Karen/Dusty duet but we'll never know how that would have sounded as they didn't duet on that show. Dusty performed two songs solo, Haunted and Someone Who Cares.

There's a part of you, that's a part of me...
