### Dusty and Film/Show toons.. (#p29965)

by **Carole R.** » Sat Aug 14, 2010 10:41 am

The 'Knowing when to Leave' thread got me to wonderin just how many film/show toons Dusty peformed/ recorded.

We know that she could have been a stageshow star had she had the stamina...but she chose not to venture into that field. 😞

However, I wonder if we could make a list, however short, or long of Dustys performed film/Show tunes and then choose which we like best.? 🎵 ⭐

Just an idea, and apologies if its been done before.

I suggest we just put up **one** title each with 'KnowingWhen To Leave' from **Promises Promises.** being number one.

Number two: 'If They Could See Me Now' from **Sweet Charity.**

6. 'I think Its Gonna Rain today' from *Beaches*....Not really a 'Show' tune, but I'm thinkin that it qualifies as a film tune.

One of my very favourite Dusty songs came from a film and that would it (10) It Goes Like It Goes from Norma Rae, followed by, (11) But It's a Nice Dream from Kiss Me Goodbye. I'd also have to add (12) Give Me the Night from Corvette Summer. Three great songs, though Dusty didn't get to perform It Goes Like It Goes in the actual film.

Come Back to Me was from On a Clear Day You Can See Forever Clive.

she never got to finish recording it, but "Corner of the Sky" is from the Broadway musical *Pippin*.

I'm glad Petula was able to salvage the recording and turn it into a duet...

of course, there's that old poll I created for Dusty Movie themes 😊 😊 -

two that i've noticed that are played over credits and really capture the mood for a film are the title song to *The Corrupt Ones* and "But It's a Nice Dream", from *Kiss Me Goodbye*.

here's the opening credits to *The Corrupt Ones*- exciting! And I always love when Dusty gets mentioned prominently in film credits. 😊

I am with the two Caroles here, I love her singing " I'll NEVER STOP LOVING YOU" such a classy song and a wonderful version of it. 🍷  
then two of my real favs of hers are " it goes like it goes" and of course the wonderful " but its a nice dream" ❤️
