## [Dusty and Shirley](#)

■by [Dee Votion](#) » Fri Dec 18, 2009 10:19 am

Apologies if this topic has been covered before but it has been floating around among the cobwebs of my darker recesses for a while now

With all the hype surrounding DSB's (The Bassey not the bulletin!) new album I just wondered if anyone knew of any stories or interesting facts about the two divas relationship, professional rivalry, comments about each other etc over the years.

It just interests me as we have heard comment from Lulu, Cilla, Pet and Sandie about Dusty but I have never come across Shirley talking about her except on this clip recently re-posted:

I remember in very early solo interviews when Dusty was asked what kind of career she would like she mentioned Bassey as perhaps one eye on the future but that's about all I can remember.

Of course DSB is only a couple of years older than what Dusty would be now if she were alive so it can't help but make the mind wonder what glorious songs could have been written around our own heroine.

Oh but that's another topic!

Can anyone help shed any light?

thanks

Andrew (Dee Votion)
