Dusty and Tom Jones - 'I'm Gonna Make You Love Me' (#p47065)

by **FairyDust** » Mon Jan 31, 2011 9:17 pm

Does anyone have/know where I can find the full version of this performance? I have only seen the tiny clip from it that's on Full Circle but would love to see the whole thing. It looks like it's fab 🍷
Have had a quick scout around Youtube but couldn't turn it up. Hope one of you lovely people can help...

awesome question i have meant to ask on several occasions...lol

i'd also love to see the full performance of "Round Every Corner" that precedes the Dusty/Tom clip on Full Circle, with Marvin Gaye. I know it's not an actual one-on-one duet, but i'd still love to see it.

I saw this clip on youtube over a year ago but it may have been removed since that time.

So did I... Dustygot soul was the one who had it. Don't know if it's allowed on Youtube, so you'd better grab it pronto!

Thanks for finding, Frans! 😊

It's a gem, there's SUCH stage chemistry between them, a lovely performance!

Frans, thank you - you're a star 🤔 😊 🤔

Love everything about this: the way they sound together; the hair; the dress, and, as Cor says, the chemistry! This is probably the most flirty I've ever seen Dusty be with a man...and it isn't one-sided either 😊 Dare I even say a very attractive couple under very different circumstances? 🤔

Also, every time Dusty sings 'hey baby' I just melt a little...

That VOICE!

Paul Howes sold two ITC video's through the Bulletin a few years back now and this duet was on there. I still have the video's but nothing to play them on. I need to do something about that! Dusty'sGotSoul obviously put it up on YouTube but it was possibly taken down because the shows are now owned by Tom Jones.

And I agree Cor and Grace, they did have great chemistry, the best of anyone that Dusty ever duetted with I think (not counting Burt of course 😊)

Flirty is an understatement. I suspect most of the people who saw that at the time were sure that they were sleeping together. After seeing that video, I'm not sure they weren't.
