BBC Radio 2 (#p135481)

by **pat.dunham** » Thu Oct 10, 2013 7:50 pm

Sometimes we think that Dusty has been forgotten on radio. Well I was delighted to find that Dusty was played by

Richard Allinson on BBC R2 last Saturday 5OCT. Sadly his programme is on at 0300-0600 when most of us are asleep, however during that 3 hours he played Just a little loving, Windmills and Breakfast in Bed- not bad eh .I have not been able to listed to iplayer but I'm willing to bet he celebrated the birth of her solo career.Thanks Richard..

A shame about the timing. 🌧️ I hear her mentioned sometimes, but not often. I'm waiting for a question about her on popmaster. 🎵 Nice song choices! 😊

I always think Dusty is played a good deal on Radio 2 and is far from being forgotten.

Richard Allinson plays Dusty whenever he gets the chance 🌟

Dusty has been a question on 'Popmaster' several times over the years. I think the BBC does play her records more than other female singers of her 'era' - in fact I would guess she is the most played female singer of the '60's' girls. It is fairly rare to hear Cilla, Lulu and even Sandie on Radio 2. A couple of years ago a list appeared of the most played artists on 'SOTS' (Brian Matthew) - Dusty was 3rd, only beaten by The Beatles and Billy Fury. I think it's something to do with the 'quality' of the music!!

IMHO I think that Dusty gets more radio & TV play than any other '60's Brit girl. I also hear her in bars, coffee shops, malls and recently in France she was being played on the radio and in a restaurant 😊
