I recorded Runaway while I was away on holiday and started to watch it last night. I wasn't enjoying it though, so packed it in half way through and deleted it. I saw this mentioned on another thread and was going to watch it on iPlayer, so thanks for the link 😊 Perhaps I'll persevere with the next episode, though I won't know what's gone on in the first now! I'm sure I read the book yonks ago but don't remember a Dusty mention. They didn't do too bad with the hair and makeup 😊

So sorry, Taffy 😊 .. But there are worse people to talk to than yourself. 😊

It also proves to me that some things can get lost on the 'cover all' threads.. 😊

..and judging by the knockout response, I'm talkin to myself as well. 😊
